

Band Rider

- 1) One dressing room with seating capabilities for five members (5 band/1 sound tech)
- 2) Access to bathroom in dressing room or in close proximity.
- 3) Bottled water requested for Artist.
- 4) Approximately 5 clean towels to be provided for Artist.
- 5) 2 15-amp circuits to be provided. 3 20-amp circuits for sound reinforcement in proximity of stage
- 6) 12 ft in depth x 24 ft in width and 2 feet in height stage area required. Stage must be level, stable and have a non-skid surface. The stage is for exclusive use by Artist. (Please note: The Artist is aware of architectural boundaries that may exist in certain venues preventing the use of this size stage.)
- 7) The Purchaser shall allow 2 hours for unloading of equipment, set up and soundcheck. The Purchaser must provide free and clear access.
- 8) Sandwiches/refreshments would be appreciated for Artist (please contact Agent).
- 9) The band will advertise on their website for date as soon as date is booked. Artist expects the club to do the same on their site at least one month prior to date booked.
- 10) Posters will be provided by Agent and are expected to be hung up at least 2 weeks prior to show.

- The Hey Nows require an adequate FOH professional sound system
- The Hey Nows use an in-ear monitor system that Artist will supply, complete with splitter snake for vocals and music samples but will still need floor monitors on stage
- Professional mixing board (Midas, Allen and Heath, X32 or equivalent)
- 2 boom and 2 straight mic stands for vocals
- XLR mic cables
- All applicable power cables for system
